Accessibility

Call Off Method

There are a number of call-off options available on this agreement:

1. Direct Award.
2. Ranked
3. Further Competition
4. Desktop Exercise - Members can adjust the requisite weightings but up to 20 percentage points.

For further guidance on the call-off mechanisms please refer to the Buyer's Guide.

Responsible Procurement

Responsible Procurement is an important consideration for this framework with a 20% weighting being apportioned during the tender process. This can be further increased to 40% using the desktop calculator should members sustainability requirements need to place further emphasis on this. Additionally, during the quality evaluation suppliers were asked questions covering the following areas:
• MSA Statements and understanding of what they include
• Policies – details on how often they're updated
• Training, how it is administered, how often it is given, how often it is updated and how it is monitored
• Indirect supply chains such as cleaners, warehouse staff, drivers, pickers/packers
• Managet of risks in the supply chain?
• Instances of modern slavery which may have already occured and what action was taken
