This Framework Agreement allows you to buy through various options. You should choose the option most appropriate to your purchase taking into consideration; your Organisational Procurement Guidance and Financial Regulations, the product/service you wish to purchase and the specific requirements of your organisation.

## Responsible Procurement

At Selection Suppliers were assessed for:

- Compliance with the requirements of the Modern Slavery Act 2015
- Payment of the Real Living Wage

Lots 1-13

At Award, Suppliers were asked questions on the following topics:

- Waste Management- including disposal route, risks, managing capacity, 'greener' disposal methods e.g. RDF
- Reduction of Carbon in Transportation including route optimisation software
- Energy Consumption Reduction
- Fair Work Practices- considering fair, and equal pay, including the real living wage, promoting equality of opportunity and stability of employment and hours of work, avoiding exploitative employment practices.
- Social Value

Lot 14

- Period Dignity Education
- Product Composition and Sourcing considering the source of materials/products, the chemical ingredients and toxicity of materials/products and the recycled content of the materials/products
- Packaging considering how packaging used on individual products will be kept to a minimum, packaging used in fulfilment of orders will be kept to a minimum, recyclable packaging materials will be incorporated and single-use plastics avoided.
- Carbon Footprint Impact Reduction including sourcing strategies, fleet management, delivery consolidation
- Labour Conditions
- Social Value

**Added Value**
