Responsible Procurement

The NETpositive Supplier Engagement Tool will be used as part of contract management. The UKUPC Supply Chain Code of Conduct was issued to suppliers as part of this tender. At Selection Suppliers were assessed for:

- Compliance with the requirements of the Modern Slavery Act 2015
- Payment of the Real Living Wage
- Carbon Reduction Plan

Recognising both the environmental and social risks associated with in-scope products, with the award criteria, suppliers were asked questions on the following topics:

- Accessibility and Inclusivity
- Supply Chain Transparency & Labour Conditions
- Packaging Materials
- Re-use and Recycling Services including Re-use, Repair and Refurbishment
- Delivering Social Value

Added Value

Benefits of Using a Framework Agreement

- More advantageous pricing based on economies of scale from aggregated spend.
- Savings can be base lined by comparing prices with the prices you previously paid.
- A single exercise to establish the overarching agreement and establish the Terms and Conditions of the Framework.
- Reduced administrative effort and associated cost savings.
- The development of a longer term relationship with suppliers which is mutually beneficial.
- You have the ability to call off from the agreement as and when required rather than needing to undertake a full tender process.
- The Framework allows for the flexibility to determine specific requirements at the call off stage.
- Framework Agreements support longer term business planning as they span a period of typically four years and allow some stability from market fluctuations.
- NWUPC and your Consortium will provide contract management support to you should you experience any issues with suppliers and will act in your best interests.
