Call Off Method

Call off methods, always at the institution's discretion, include:

- Direct award by cascade according to ranked framework award or by rotation.
- Further competition (by desktop exercise or mini tender).
- E-auction

Responsible Procurement

Consideration has been given to responsible procurement in the evaluation of this Framework evaluating:

- Use of alternative lubricants.
- Carbon impact
- Packaging
- Application of waste hierarchy
- Commitment to Net Positives
- Ability to contribute to BREAMM accreditation.
- Ability to contribute to LEED accreditation.

Responsible procurement will be included as a standing agenda topic in review meetings and review of the Net Positives action plan and progress will also take place.

Added Value

- Compliance to Health and Safety legislation
- Provision to manage sustainable impacts via the Net Positives supplier action tool.
- Awarded to regional and SME
- Flexible call-off options
- Direct control of contract management and reviews at consortia level.
- Confirmed acceptance by awarded suppliers for use of JCT or NEC if requested
- Some suppliers provide minimum commitment levels of qualifications
