### Call Off Method

This Framework Agreement allows you to buy through:

- Direct Award
- Desktop Exercise
- Mini-Competition

You should choose the option most appropriate to your purchase taking into consideration; your Organisational Procurement Guidance and Financial Regulations, the product/service you wish to purchase and the specific requirements of your organisation.

### Responsible Procurement

The NETpositive Supplier Engagement Tool will be used as part of contract management. The UKUPC Supply Chain Code of Conduct was issued to suppliers as part of this tender.

The Electronics Watch Contract Conditions was issued to suppliers as part of this tender.

At Selection Suppliers were assessed for:

- Compliance with the requirements of the Modern Slavery Act 2015
- Payment of the Real Living Wage
- Carbon Reduction Plan

## Added Value

The benefits of using this Framework Agreement are:

- More advantageous pricing based on economies of scale from aggregated spend with no price increase considered prior to 31st December 2024.
- A single exercise to establish the overarching agreement and establish the Terms and Conditions of the Framework.
- Reduced administrative effort and associated cost savings.
- The development of a longer term relationship with suppliers which is mutually beneficial.
- Contract management initiatives around supply chain traceability for high-risk products, and packaging initiatives to support reductions in waste.
- Multiple methods of call-off including direct award, desktop exercise and full mini-competition including permitted variation of weightings.
- You have the ability to call off from the agreement as and when required rather than needing to undertake a full tender process.
- The Framework allows for the flexibility to determine specific requirements at the call off stage.
- Framework Agreements support longer term business planning as they span a period of typically four years and allow some stability from market fluctuations.
- NWUPC and your Consortium will provide contract management support to you should you experience any issues with suppliers and will act in your best interests.
- Access to products with recognised sustainability standards.
- Access to Real Living Wage accredited suppliers where required
