Scope of Requirements

The scope of services available under this framework will ensure the Member and their Global Employees are provided with the necessary advice, support, assessment, and management to fulfil a legally compliant route for international global workforce movement requirements. The three specialist lotted services are:

Lot 1 - Overseas Taxation, Payroll, Immigration and Advisory Services covers advice and support to Members on the management of their Global Employees' working or travelling arrangements in overseas host countries for international taxation, international payroll, immigration services and advisory services. Advisory services are non-mandatory where specialist advice is available for international employment law, international pensions, feasibility assessments & costs, business traveller and remote working, permanent establishment and employer of record model.

Lot 2 - Employee Relocation Services comprises advice and support to Members and their Global Employees relocating inbound & outbound of UK, or UK only domestic relocations – provided via a Managed Service for Relocation Support or an Expense Management Service (with option of relocation support). Relocation Support comprise advice & service coordination, settling-in, removal & storage for household goods, home search, orientation services, cultural support, school/education search and partner support. Domestic relocations and moves from one country to another are non-mandatory. Advice is available for support with Global Employee lump-sums, policies, eligible expenses and tax exemptions.

Lot 3 - Employer of Record Services offers a solution to Members seeking a global employment outsourcing provider to operate overseas on its behalf as a legal employer of record. The Supplier will fulfil the employer responsibilities in an overseas host country on behalf of the Member for its Global Employees to prevent any unintended compliance risks on workforce arrangements and a solution to permanent establishment associated risks. The services comprise employer administration, in-country HR support, payroll and tax compliance requirements in the Host Country.
