Responsible Procurement

Responsible Procurement.

- Virtual meetings reducing carbon emissions through business travel and regular commuting is significantly reduced compared to an office-based supplier
- Minimising the environmental impact of hosting the Online Platform (e.g. Microsoft Azure datacenters / cloud sustainability through liquid immersion cooling, grid- interactive UPS batteries, cleaner fuels for power backup)
- Fair working practices – living wage, flexible working
- Modern slavery & supply chain – zero tolerance policies for forced labour, slavery and human trafficking

Community Benefits.

(PATH) Scholarship Programme offers funding to Higher Education Institutions in United Kingdom to support students in financial distress. PATH funds help students cover items such as housing, tuition, and food, to allow them to continue pursuing their degree. Institutions may try to progress this through contractual arrangements.

Added Value

- Ceiling rates/maximum pricing defined and agreed for the duration of the Framework Agreement. This pricing can be reduced further at time of mini competition or through using the Desktop Calculator.
