Scope of Requirements

The Framework agreement will be for the provision of signs and signage products and services including full end to end signage project solutions including wayfinding & consultation, design, supply, installation, storage, maintenance, upkeep, and disposal and/or re-use of signs and signage projects plus supply of ad-hoc signs and signage products. Any and or all elements of these signs and signage products or services may be required via the Framework.

Accessibility

Members of the following organisations can access this Framework Agreement: North Eastern Universities Purchasing Consortium (NEUPC) Advance Procurement for Universities and Colleges (APUC) Higher Education Purchasing Consortium Wales (HEPCW) London Universities Purchasing Consortium (LUPC) North Western Universities Purchasing Consortium (NWUPC) Southern Universities Purchasing Consortium (SUPC) Crescent Purchasing Consortium (CPC)

Call Off Method

Call-off from this Framework Agreement is by means of ranking, running a competitive further competition or a combination of ranked and further competition.

Responsible Procurement

• Provision to manage sustainable impacts via the Net Positives supplier action tool and UN Sustainability Code of Conduct

Added Value

• Cash savings are calculated at Framework level, based upon the difference between general market list price and the price being offered via the Framework agreement. Additional savings are also possible through further competition and committed aggregated spend rebates.

- Compliance to all relevant legislation
- Flexible call-off options
- Direct control of contract management and supplier reviews at consortia level. All supplier contact details are available via HEC

• Range of awarded suppliers and resulting strong market coverage allows direct contact with market leaders in various specialist areas, some of which are not available on alternative Frameworks.

• MI reporting at consortia level will ensure savings and spend are accurately and properly

reported, with the help of members in verification of expenditure via the Framework • Marketing Premium (1% of spend on the Framework) retrieved will be reinvested into

member services

• Direct control of contract management and reviews at consortia level.

• Ensuring Framework pricing is offered to all institutions as standard for any items under this Framework
