UK Defence Networks Ltd

Responsible Procurement

- Supply Chain benefit through inclusion of electronics watch terms and conditions
- Provision to manage sustainable impacts via the Net Positives supplier action tool and UN Sustainability Code of Conduct

Added Value

- Cash savings are calculated at Framework level, based upon the difference between general market list price and the price being offered via the Framework agreement. Additional savings are also possible through further competition and committed aggregated spend for individual institutions
- Non-Cash savings: use of Framework for a complex procurement. Contract specifications are included in Framework specification.
- Compliance to all relevant legislation
- Flexible call-off options

- Direct control of contract management and supplier reviews at consortia level. All supplier contact details are available via HEC
- Established HE Suppliers awarded to the framework

- Robust terms and conditions

- A new lease option for customer to benefit from
