Responsible Procurement

- Confirmed code of conduct for responsible procurement in the supply chain
- A focus on SME inclusion
- Specific assessment on ability to provide services in localised regions
- Inclusion in the evaluation of Social Value

Added Value

- All Service Providers have been thoroughly vetted and exceed our minimum standards, whilst holding appropriate industry qualifications
- Financial status assessments were taken place during the tender process and will be continually monitored throughout
- Fixed fees and capped consultant rates provide cost transparency, but can also be reduced by Service Providers during a further competition exercise
- Sustainability and Social Value aspirations and objectives will be tracked throughout the framework period
