### Scope of Requirements

This framework will provide customers will access to a range of highly experienced and well resourced Telecoms and Data Cabling Contractors for the provision of Telecoms and Data Cabling services, comprising of small building installations, refurbishments, repairs, maintenance and improvements on University premises, for the North Eastern Universities of Durham, Newcastle, Northumbria, Sunderland and Teesside and NCG. The works will involve all aspects of telephone and data installations/modifications (excluding BMS) typical of University buildings, such as but not limited to laboratories, small and complex lecture theatres, libraries, cafe and commercial kitchens, offices (individual and open plan), public areas, meeting rooms, conference rooms, accommodation, plant areas, etc. The works will vary in size, from the replacement of a single socket to the installation of up to 30 cables with the appropriate containment and connections.

### Accessibility

The specific consortia members who can access this framework are the NE5 institutions which consists of:  
Durham University  
Newcastle University  
Northumbria University  
Teesside University  
University of Sunderland  
NCG (Newcastle College Group) may also access the framework, and any of the above's legal subsidiaries.

### Call Off Method

Three call-off options are available to customer's;

- Direct Award
- Further Competition
- Desktop Analysis

### Responsible Procurement

To comply with our responsible procurement agenda Contractors:

- Signed our code of conduct for responsible procurement in the supply chain
- Comply with the Real Living Wage, prompt payment code and Modern Slavery Act 2015
- Manage their sustainable impact as managed by the Net positives Futures Action Tool

The framework

- Focused on SME inclusion
- Specific assessment on the ability to provide services within the North East region
- Included evaluation of the contractors Social Value targets and aspirations within the region

### Added Value

- All Service Providers have been thoroughly vetted and meet or exceed our minimum standards, whilst holding appropriate industry qualifications
- Financial status assessments were taken place during the tender process and will be continually monitored throughout
- Fixed fees and capped rates provide cost transparency, but can also be reduced by contractors during a further competition exercise
- Sustainability and Social Value aspirations and objectives will be tracked throughout the framework period
